2007 Holiday Renewal Request

To all agents and suppliers

After analysis of inventories and accepted renewal requests, the *Société des alcools du Québec* wishes to inform you about its **2007 Holiday period renewal needs of specialty products purchased by lot** (see table below). Please note that the renewal requests received for the category-appellations not specified in the aforementioned table will not be analysed in priority.

Please note the importance of using the latest version of the **Order renewal request form**, available online, under the *Order Renewal* section of the *Policy and Standards* tab. In order to treat your request for the 2007 Holiday period, this form must be send to us in Excel format, **before May 10, 2007 inclusively**, 5:00 pm, Montreal local time, to the following address: miseenmarche@saq.qc.ca.

Following the usual procedure, the SAQ will inform you later about the required elements for the analysis of your product (sample, certificate of analysis, label, etc.) via your *Order renewal request* form. In order to clearly identify the required information when a certificate of analysis is submitted, at the SAQ's demand, we invite you to consult the following document: *Order Renewals – Analysis Certificate*, published last January 30th, under the *Order Renewal* section of the *Policy and Standards* tab of our web site.
