TO ALL SUPPLIERS OF PRODUCTS MARKETED BY THE SAQ

Subject : New telephone numbers

Dear Madam,
Dear Sir,

The SAQ recently acquired an IP telephone system, which has now been installed and is operational throughout its network. This new centralized telephone system includes a general number for each Administration Centre where all employees of that Centre can be reached. You can consult the directory that is built into the system in order to find a specific person's extension.

Numbers to remember

| To contact: | Number |
|--|-----------------------|
| SARA – S ervice d' A ssistance aux R elations d' A ffaires (Business Relations Assistance Department) | (514) 254-2711 |
