

Price change List of exchange rates

For agents and suppliers

Please find herewith the **list of exchange rates** that will be used in the **retail price calculation** starting **September 14, 2011**. As for the shipping charges, the service charges, the mark-up rates and the private orders, they remain unchanged.

In order to be included in the orders launched on August 19, 2011, **any price change request must be received at the latest on August 15, 2011, 11:59 PM, Montréal local time.**

To submit your price change requests, go directly online from the electronic portal that you subscribe to by clicking on the **Product Management** tab in the **Price Change** section.

Note for all the offers submitted in the catalog: all the offers with the status *Submitted*, issued before the publication date of the new rates will be updated automatically within the next 72 hours.

You will now find the answer of your price change request online, under the section **Price Change**. The status of the request will be recorded for each product in each request. If the price change is refused, the reason for this refusal will be indicated. A summary of the results is available on the main page of price change management screen, under "Status" column.

N.B. As written in the Price Change Requests Schedule, only the price reduction requests will be considered.
