Currency Changes – Fiscal 2019-2020

Here are the dates of the **next currency change periods in fiscal 2019-2020**:

Submission deadline for currency change requests	Confirmation deadline for currency change requests	Effective date for new currencies
April 15, 2019	April 26, 2019	May 30, 2019
September 16, 2019	September 27, 2019	November 14, 2019

To request a currency change, you must email your request to changementdeprix@sag.qc.ca, specifying both the address of the place of shipment of the products concerned and the new currency you have selected.

Note that:

- Supplier price change requests will not be accepted in connection with a currency change request. Supplier price change requests must be submitted during the periods specified in the price change requests schedule, which is available online.
- The supplier price in the old currency must be converted into the new currency so that the retail price remains the same.
- The prices of all a suppliers' products from a same place of shipment must be in the same currency.
- For batch order specialty products, the rates used will be those in effect when the SAQ received the latest order. The new currency will be considered the payment currency for subsequent orders of all the supplier's products.
- No supplier price change request will be considered during the week that the new currency enters into effect.
- Once the currency change has been made, no new currency change request may be submitted for the supplier concerned for one year.
