## Updating of Renewal Offers for Specialty Products

We have been receiving a large number of change requests following the publication of purchase intents or the issuing of orders. For example:

- vintage change
- price change
- adding bar codes (CUP/EAN 13 et SCC/EAN14 or GTIN)

We want to remind you that **you are responsible for keeping your renewal offers up-to-date** in the SAQ catalogue of offers.

For our business relations assistance service (SARA), this type of request is considered a low priority. Accordingly, if changes are requested after the purchase intent or order is issued, your requests for approval will be processed only as time allows.

By making sure that your offers are up-to-date, you will avoid delays in the shipping of orders and, if applicable, in the selling of your products.

\*\*\* Reminder! Please email your bar code change requests for regular products, including the product code, to [sara@saq.qc.ca](mailto:sara@saq.qc.ca). \*\*\*
